

BE A CHANGE AGENT

With your generous support, Project for Public Spaces can bring placemaking to local communities around the world through our research, advocacy, education, and on-the-ground work. The result: public spaces at the heart of every community.

The funds raised through our Placemaking Catalyst Circles and Corporate Council make our work possible, helping us reach more communities each year. Donate today!

You can also regrant with us, support a project in your home community, fund research on a specific issue, and more. Please contact partnerships@pps.org for these and other funding opportunities.

Project for Public Spaces is a registered 501(c)(3) nonprofit.

WHAT YOUR DONATION CAN FUND

With **\$1,000**, PPS can complete a benchmark study on a successful public space.

With **\$5,000**, PPS can hire a graduate research fellow to support our education and advocacy efforts.

With **\$10,000**, PPS can host a regional event to train local leaders in community engagement techniques, or create a new resource page on a key placemaking topic.

With **\$50,000**, PPS gather placemakers together to discuss pressing issues with a regional or national convening.

**

Contact partnerships@pps.org to donate to PPS and join one of our Catalyst Circles or the Corporate Council.
